

RATE SCHEDULE

The following table shows rates from NORWOOD to points listed, one to four passengers, and baggage.

Round trip mileage and approximate flying time to destination follows the charter rate listing.

To compute individual cost, divide listed rate by number of passengers.

The single passenger rate does not cover the regular high speed flight service. This special service is suggested and recommended to the single traveler who may wish to fly for business or pleasure at a minimum of cost.

RATES FROM NORWOOD, MASS., AND RETURN

	4-Pass. Special	2-3 Pass.	2-3 Pass.	1 Pass.	Miles	Flight Time
